

WELCOME BACK
TO THE
UNIVERSITY OF NEBRASKA-LINCOLN

Information Packet

Welcome back to the University of Nebraska-Lincoln! We know you had to make difficult decisions regarding Fall 2020, but we are very happy you chose to continue your education as a Husker. We know this semester may not happen the way you expected, but we are here to help you navigate this unique semester!

In case you did not know: The International Student and Scholar Office (ISSO) has a team of Immigration Specialists, International Student Success Navigators, and Global Peer Assistants to support you! You can find more information about our office here: <https://globalnebraska.unl.edu/isso>

Our **immigration specialists** can help answer any questions you have about your immigration status, your documents (like your I-20 or DS-2019), how to apply for certain benefits of your immigration status (like CPT or OPT), and are here to give you the information you need to maintain your legal immigration status while studying at UNL. You can find information on how to schedule an appointment with an immigration specialist here:

<https://globalnebraska.unl.edu/isso/advising-instructions>

Our **international student success navigators** can help you with anything that is not related to immigration. We are very knowledgeable about resources on campus and we will either answer your questions or direct you to the right department to answer them! We are also here to help you navigate your journey at UNL. We host many fun academic, social, and cultural events to ease the transition to life in the U.S. You can find a list of upcoming events here:

<https://globalnebraska.unl.edu/isso/isso-events>

Our **global peer assistants (GPAs)** support new international students in academic, social, and cultural engagement through peer support and programmatic efforts. This is achieved through comprehensive welcome activities, building relationships, and events. However, any international student can benefit from talking to a Global Peer Assistant. If you have any questions about campus or just want to talk with someone, reach out to a Global Peer Assistant! You can reach one by emailing internationalnavigators@unl.edu.

We also send a weekly newsletter on Mondays to all international students and scholars through our listserv. All international students should automatically be signed up, but if you are not receiving it, here are instructions for getting on the list: From your e-mail account, send an e-mail to: listserv@listserv.unl.edu. In the body of the e-mail with no signatures file or other lines, put: subscribe intl-news.

Contact immigration specialist at: isso@unl.edu or call **402 472 5163**

Contact international navigators and global peer assistants at: internationalnavigators@unl.edu

We encourage you to join our events to stay engaged through the semester. Please contact us with any questions you may have.

-Karen Cagley, Director, ISSO

HEALTH KIT

- Every student living on campus should have received a health kit from the Health Center. This kit includes:
 - Thermometers
 - Bandages
 - Antiseptic wipes
 - Single use hand sanitizer

LAUNDRY INSTRUCTIONS

Washers and dryers are free for Residents to use!

Washing Instruction

1. Open washer door.
2. Do not overload.
3. Place detergent/fabric softener in the appropriate slot.
 - a. If using a Tide Pod or something similar, put one pod in the bottom of the tub before loading your clothes.
4. Select washer setting to start machine.
5. At the end of the cycle, remove items promptly.

Drying Instructions

1. Open dryer door.
2. Clean lint filter (this is done for fire safety and to ensure the machine is working at its best)
3. Press Start or Select dryer setting to start dryer.
4. Turn on Dryer.
5. Remove items promptly at the end of cycle

PERSONAL SAFETY – DO NOT wash or dry article containing flammable fumes or materials.

Laundry Detergent – Important!

- Use laundry detergent labeled 'he' (high efficiency)
- To ensure the machine is working to its optimum level, please use only ¼ cup of detergent in washing machines
- Commercially designed washers only need a minimal amount of detergent (this reduces suds and the possibility of damaging clothing or the machine)
- **If you are using a Tide pod, you do not need to add additional laundry detergent.**

Please report any concerns about laundry machines to the front desk or log into **MyRed** and fill out a maintenance request under "FixIt" in the Housing portal.
